

k-love radio stations are a positive alternative to the radio stations that play other types of "music". It serves the local community in many ways by being a good way of focus on the good things of life by playing songs that will keep me thinking about God during my day. If it were to be displaced by a LPFM broadcasting other types of programing I and a number of other people I know would be hurt deeply by not being able to listen to a Godly source of programming. Thank You. Gog Bless You!!
